

GFWC Dunwoody Woman's Club

February 20, 2025

Dear Friends of the Community,

The members of the GFWC Dunwoody Woman's Club are asking for your support.

The Club, a member of the General Federation of Women's Clubs, was chartered in October 1971, and has over 100 members, leaders in the community, whose financial and hands-on service contributions have helped shape the very character of Dunwoody. We are a non-profit, non-sectarian, and non-political organization.

The 52nd annual "Dunwoody Home Tour" is the major ways and means project of the Dunwoody Woman's Club and will be held on Wednesday, October 8, 2025. Beautiful homes, each depicting a different style of living, have been selected and will ensure the continuing success of this project, already one of the most anticipated events of the fall. Proceeds from the Tour are used to fulfill the club's commitment of service through various programs in the areas of Arts and Culture, Civic Engagement and Outreach, Education and Libraries, Environment, Health and Wellness, and to support the Tallulah Falls School, located in north Georgia.

You are invited to become a sponsor of the Dunwoody Home Tour. By doing so, you will provide support to the community through the Club's projects. Five levels of sponsorship have been established: Patron \$2000+, Diamond \$1000+, Platinum \$500+, Gold \$300, and Silver \$200.

Thank you for considering our request. By supporting us, you are helping in so many ways...perhaps to make a difference in a child's life, to help a struggling adult, and to further enrich our community.

Sincerely,

Linda Mote

GFWC - Dunwoody Woman's Club

GFWC Dunwoody Woman's Club is proud to be an affiliate of the General Federation of Women's Clubs (GFWC), the world's oldest and largest non-denominational, non-partisan, international service organization of volunteer women.

GFWC Dunwoody Woman's Club is a service organization of women joining to expand our skills and apply our abilities. Our members are community leaders whose financial and service contributions have helped shape Dunwoody and North DeKalb. Dunwoody Woman's Club members have helped to forge the strong sense of community enjoyed by all who live in this thriving Atlanta area. The Club is dedicated to five programs: *Arts and Culture, Civic Engagement and Outreach, Education and Libraries, Environment, and Health and Wellness*

The Dunwoody Woman's Club was the driving force for the formation of:

- ◆ **THE STAGE DOOR THEATRE**, a prominent member of the Atlanta theater community, giving performances and conducting classes in theater for children and adults
- ◆ **THE SPRUILL CENTER FOR THE ARTS**, the preeminent arts teaching facility in the Southeast, instructing more than 7,000 students each year
- ◆ **THE DUNWOODY NATURE CENTER**, preserving pristine and historic acreage in the heart of Dunwoody as a teaching and recreational facility
- ◆ **THE FIRST FOURTH OF JULY PARADE in 1976**, continuing the tradition for a decade (now sponsored by other civic groups)
- ◆ **DUNWOODY CULTURAL CENTER**, housing the public library, Stage Door Theatre, and the Spruill Center for the Arts in the former Dunwoody Elementary School building

For more than a century, members of federated women's clubs have addressed the needs of their communities and countries through times of social change, war and peace, and the technological revolution. As a member of the GFWC-Georgia Federation of Women's Clubs, the Dunwoody Woman's Club supports state programs including Tallulah Falls School in North Georgia.
